*Fred Metzger*

### Capt. Fred Metzger.

As the demise of Capt. Metzger occurred just prior to our press hour last week but a brief notice of the passing of this pioneer resident of Medina county could be made.

Deceased was born in Hattenheim, Dukedom of Nassau, Germany, May 19, 1833; at the age of about 15 years, in company with his parents he landed at Galveston, Texas; the war with Mexico starting shortly after his arrival, he volunteered in the United States army and went with the American forces to the City of Mexico, engaging in many of the memorable battles of that expedition; on the signing of peace he returned to the United States with the army and shortly afterward was honorably discharged. As an epidemic of yellow fever had deprived him of his parents he shortly afterward again entered the army and for the next five years he was engaged in the Indian wars and doing guard duty on the outposts of civilization. During this last service with the army deceased claimed to have made the longest cavalry march on record of any army, coming from Dakota to a station in Texas, the journey being made in the winter.

After leaving the army deceased engaged in various occupations, and in the early fifties joined a gold-seeking expedition to California, but being stricken with illness at St. Louis he had to abandon the journey. Before returning to Texas he drifted around over a good portion of the world and for awhile he lived in the West Indies, on the French island of St. Martinique, but his heart turned back to the land of his adoption and he again returned to the United States. During the war between the States he served in the Confederate army, but as his company was not ordered to the fighting zone the greater part of his time was spent in doing guard duty along the frontier.

While his friends had given him the title of Captain he never held a commission during his long service in the army, but during his day of service the army was a more democratic organization than as now constructed, and there was not the distinction between the enlisted personnel and the commissioned branch of the army and

he had many warm friends among the army officers of his day in the service.

Despite his long and faithful service deceased was a "man without a country." During his long and active life he held many civil positions and always exercised all the prerogatives of a citizen, but a few years ago, on a technicality he was adjudged not a citizen. But the decrees of those in temporary authority could not affect his love for his adopted country and no heart ever beat more loyal to the welfare of the United States than that of the deceased.

In 1861 deceased was joined in marriage to Miss Louise Lange, also a native of Germany but who also cast her lot in the new world, coming over with her parents when a child. Besides his wife, deceased is survived by seven children, two daughters and five sons, to wit: Mrs. Pat Lynch and Miss Louise Metzger and Mr. Charles Metzger of Hondo; Paul Metzger of Bay City, Fritz Metzger of San Antonio, Willie Metzger of Barkburnett, and Louis Metzger of Tecumseh, New Mexico.

The passing of Mr. Metzger brought to a close a long and honorable career and this community, the county, state and the nation is poorer by his passing. Among the people of Hondo, where he has been a familiar figure since the foundation of the town, he will long be affectionately remembered.

The funeral occurred at 4:30 o'clock last Saturday afternoon, the services being conducted by the Masonic Lodge in the presence of one of the largest assemblages that had congregated in the cemetery for years to pay a last tribute of esteem to the departed.

To the bereaved family the Anvil Herald, in connection with all the people of the community, extends sincere condolence in their irreparable loss.

### Estrayed.

BEN TORRES, Owner.

### Card Of Thanks.

We wish to thank all of our friends, who so willingly came to our assistance during the illness and death of our husband and father, including Sons of Herman, also all those who attended the funeral and for the many floral offerings.

Respectfully Yours,  
Mrs. G. WEIBLEN & CHILDREN.

### Notice Voters.

Do not be deceived, vote for W. F. Naegelin for Representative, he is a Democrat, he will represent you. His opponent also says he is a Democrat but he is not, he is a pro and that is what he has been. He will be unable to represent the people, so don't be deceived, vote your honest conviction.

## RED CROSS GIVES FULL ACCOUNTING

War Council Tells How Millions  
Contributed by Public Were  
Used For Relief.

BIG TASK IS DESCRIBED

In Twenty Months \$154,000,000 Was  
Spent Overseas and \$119,000,000  
in the United States.

Washington, (Special).—Through a complete report of the work of the American Red Cross in the war by Chairman Henry P. Davison, on behalf of the war council, the organization on the eve of its annual enrollment of members during the Third Red Cross Roll Call, November 2 to 11, has rendered an accounting of the many millions given it by the American people to help our fighting men and our allies. The statement is, in part, as follows:

"The war council of the American Red Cross is now prepared to make a complete accounting to the American people of money contributed and expended, as well as the work done by the American Red Cross during the period in which the war council was in control of its affairs. The war council was appointed May 19, 1919, and went out of existence February 28, 1919.

"It was the practice of the war council to give complete publicity to its policies and finances, but it is only now that a picture of the war period as a whole can be presented. It is the feeling of the war council that a report in this summarized form should be made directly to the public which provided the money and gave the effort which made the American Red Cross a success.

"A statement of the American Red Cross effort and finances since the war council relinquished its control will be made to the public through the executive committee, and it is important, therefore, that the fact that this report covers the period only until March 1, should be carefully noted."

Following are certain round figures covering American Red Cross participation in the war, as revealed by the war council's report:

Some Outstanding Figures.	
Contributions received (material and money).	\$400,000,000
Red Cross members:	
Adults, 20,000,000	31,000,000
Children, 11,000,000	8,100,000
Red Cross workers	371,577,000
Relief articles produced by volunteer workers	500,000
Families of soldiers aided by Home Service in U.S.	40,000,000
Refreshments served by canteen workers in U.S.	23,822
Nurses enrolled for service with army, navy or Red Cross	2,700
Kind of comfort articles distributed to soldiers and sailors in U.S.	10,900,000
Knitted articles given to soldiers and sailors in U.S.	101,000
Tons of relief supplies shipped overseas	25
Foreign countries in which Red Cross operated	1,155,000
Patient days in Red Cross hospital in France	3,780
French hospitals given material aid	294,000
Splints supplied for American soldiers	4,340,000
Gallons of nitrous oxide and oxygen furnished French hospitals	15,376,000
Men served by Red Cross canteens in France	1,726,000
Refugees aided in France	3,110,000
American convalescent soldiers attending Red Cross movies in France	148,000
Soldiers carried by Red Cross ambulances in Italy	155,000
Children cared for by Red Cross in Italy	

Of the \$400,000,000 in money and supplies, contributed to the American Red Cross during the twenty months the war council was in existence, \$263,000,000 was allotted to national headquarters, while \$137,000,000 went to the chapters to finance their activities. Expenditures in the twenty months totalled \$273,000,000, divided as follows: By national headquarters in France, \$57,000,000; elsewhere overseas, \$84,000,000; in the United States, \$48,000,000; by chapters in the United States, \$43,000,000; cost of chapter-produced articles distributed in France, \$25,000,000; elsewhere overseas, \$8,000,000; in the United States, \$28,000,000, making total expenditures in France, \$82,000,000; elsewhere overseas, \$72,000,000; in the United States, \$119,000,000.

### Most Famous Chinese Dish.

What has been considered by Oriental epicures as the daintiest dish in China, the birds' nest, is the product of the sea swallow, which constructs its nest of a gelatinous substance taken from sea moss. The Chinese method of preparing the nests for the table is to soak them and boil them in milk until they are very tender. Then they are placed in clear soup and are ready for use. On his trip to China, General Grant was much feted, and one of the dishes set before him was the birds' nest.

**LE HAS DISTINCT VALUE**  
 Person Ever Attained Place or Popularity by the Exercise of a "Grouch."

In a debate in the national house of representatives one member charged members on the other side with a "continual grouch." Is it natural for men, especially politicians, to be grouches? Have they not yet learned the value of a smile?

In this busy world, with its wonderful temptations, its tremendous possibilities, no use for the "grouch." The man who never smiles misses the richness of religion. The lawyer never smiles loses more cases than he wins. The merchant who smiles loses trade. The general never smiles loses his grip on his subordinates. The politician who never smiles stays at home. The sales- man who never smiles loses his position.

somehow people don't like a "grouch," a man who doesn't know how or when to smile. A smile is the biggest asset to any man or woman. It means admirers, nature, health—and wealth. It is a foe and makes a friend. It is a hope, banishes fear. It opens the door to the joys of life and the joys of existence. It is a jewel beyond price.

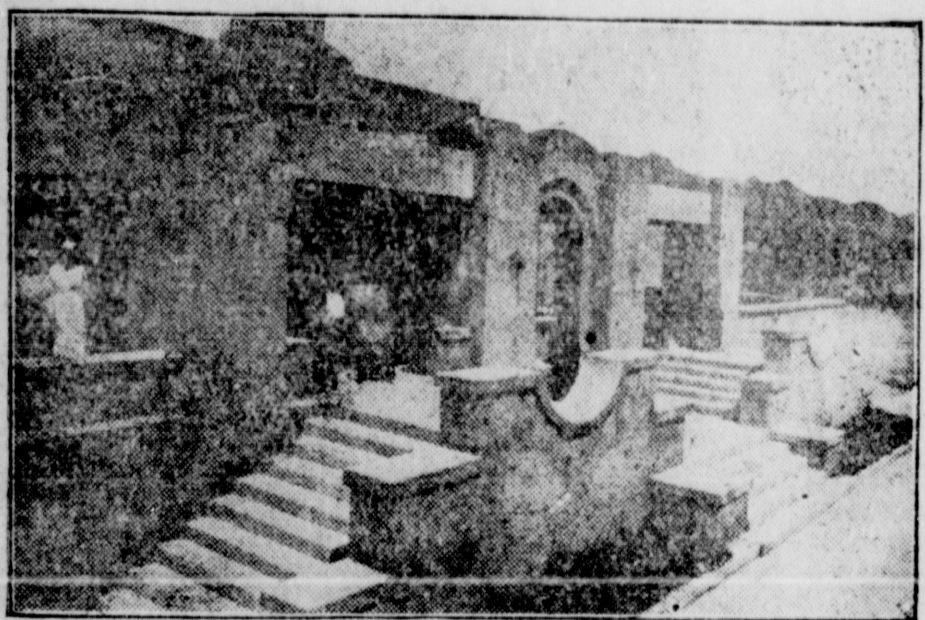

**Dancing in Haiti.**  
 According to the music of a drum, the flute and the chief source of amusement for Haitians in their villages on Saturday night, according to an article by William Almon in Collier's. Beginning at sunset every Saturday night, he writes, will come to a wine shop, if one hears the sound of the drum. The drummer sits outside. His unceasing drumming marks the rhythm of the dance; what melody there is, is borne by the flute, and almost always there is a soprano. The music is the same every dance. It is in common tone; the cadence is repeated, over and over again.

Dancing in Haiti resembles the satirical among the Australian aborigines. Mr. Wolff writes. The dancers are frank and unashamed and one gets a sense of no feeling of a personal note between the two one sees dancing, when they are staging a spectacle.

# BAPTISTS PLAN VIGOROUS WARFARE UPON TUBERCULOSIS IN THE SOUTH

SANATORIUM AT EL PASO, ESTABLISHED FOR THIS PURPOSE, WILL GET FINANCIAL AID FROM 75 MILLION CAMPAIGN—EDUCATIONAL PROPAGANDA TO INFORM PEOPLE ON HOW TO COMBAT PLAGUE WILL BE CONDUCTED.

Administration building of Southern Baptist Sanatorium for treatment of tuberculosis patients, located 4500 feet above sea level.

Do you know that tuberculosis is more prevalent in the South than in any other part of the country? That the death rate from tuberculosis here is 14.2 per cent greater than for the nation as a whole, and greater than in any civilized nation on the globe with the exception of China? That more than 150 people a day, or 57,382 a year, die in the South and the Southwest from this dreaded disease?

That there are within the territory of the Southern Baptist Convention 275,000 persons actively infected with the great white plague and an equal number have inactive infection? That the money loss to the South each year from tuberculosis is \$175,000,000?

These startling facts were brought to the attention of the Southern Baptist Convention at its session in 1916 and a resolution was at once adopted to try and check the spread of the disease and provide relief as far as possible for those already infected with it.

As a result of this movement there was established in the high, cool, rare atmosphere of El Paso, Texas, the Southern Baptist Sanatorium which aims to minister to as many patients as possible and to disseminate throughout the South and Southwest the information that will result in checking the further spread of the disease and enable those who have just contracted it to obtain immediate cures by proper methods of living.

With the active assistance of the business interests of El Paso a modern sanatorium, located upon a beautiful tract of 143 acres on the side of Mt. Franklin, at a height of 4,500 feet, was opened for the healing of the people, and through the Baptist

plying these needs that the \$20,000,000 apportioned to Christian education will be expended.

To these institutions the denomination is looking for its trained leaders to help carry forward the work along every line contemplated in the \$75,000,000 campaign. In Texas alone there are 700 pastorless Baptist churches and probably the same proportion holds in the other states. It is hoped the campaign will call out 5,000 volunteers for ministerial and missionary work and these institutions will be asked to equip these young men and women for their work.

Last year, reports show, over 6,000 students in these institutions took voluntary courses in Bible and mission study; nearly 4,000 of them attended student prayer meetings; ministerial students pastoring churches raised more than \$80,000 for church benevolences and led more than 10,000 people to profess Christ. The campaign hopes to result in enrolling 35,000 young men and women in Baptist schools within the next five years.

The South-wide institutions that will benefit from the campaign include Southern Baptist Theological Seminary and Women's Training School at Louisville, Ky., Southwestern Baptist Theological Seminary and Women's Training School at Fort Worth, Tex., Baptist Bible Institute, New Orleans, and Negro Theological Seminary at Nashville, while aid will be given to every Baptist institution of learning in all states of the convention territory, and to new Baptist colleges that will be established in Arkansas, Florida, Illinois, Louisiana and New Mexico, along with one somewhere in the region of the Appalachian mountains yet to be definitely located.

**No Race Suicide There.**  
 Jean, who had always lived in the city, was going to the country for the summer. As she sat gazing out of the car window a flock of blackbirds, frightened by the train, rose from the ground and flew away. "O, auntie," exclaimed Jean excitedly, "look what a large family those birds have."

## SPEND \$20,000,000 UPON EDUCATION

SOUTHERN BAPTISTS PLAN MUCH LARGER PROVISION FOR ALL THEIR INSTITUTIONS.

## WILL AID RURAL SCHOOLS

Success of 75 Million Campaign Will Mean Strengthening of Educational Forces All Along the Line in Next Five Years.

Of the total sum sought in the Baptist 75 Million Campaign, \$20,000,000 will go to Christian education.

But the educational program of the Baptists will not stop there. It proposes to lend itself to the creation of a public sentiment that will result in more efficient public schools in the territory of the Southern Baptist Convention, especially in the rural districts. In this connection it is pointed out that 37 per cent of the total elementary scholastic population of the nation is found in the South; that the rural scholastic population of the South is 77 per cent of the whole; that only one-sixth as much money per capita is expended on the education of the children of the South as on the children of other sections of the country; that only 37 out of every 1,000 pupils in the South enter high school as against 87 from other sections; and only 10 from the South enter college as against 21 from other sections.

Distributed throughout the territory of the Southern Baptist Convention are 142 educational institutions, including academies, colleges, universities, seminaries, and missionary training schools for women. These have a total enrollment of 18,000 annually, but all of them are crowded, greatly in need of larger facilities in every way, and many of them must have an endowment if they are to meet the demands made upon them. It is in sup-

**WHY** is it that more and more smokers (millions now) are getting together with Chesterfields?

First of all, fine tobaccos. Our own buyers in the Orient send us the pick of the finest Turkish varieties (Xanthi, Cavalla, Smyrna and Samsoun). We blend these by a secret method with specially choice Domestic leaf.

This method brings out new qualities of flavor—a smoothness, a richness, a mellowness that go right to the spot. That's the reason Chesterfields satisfy.

And remember—"Satisfy" is Chesterfield's secret, based on our own private formula, which cannot be copied.

Every package has a moisture-proof wrapping—another reason for Chesterfield's unchanging quality of flavor.

Alfred Schlentz, an enterprising young farmer living a few miles north of town, has demonstrated that Medina county is a sweet potato section par excellence. He brought into this office last Saturday the product of one hill—three potatoes, the total weight of the three aggregating 7-1-2 pounds. Mr. Schlentz had only one-half acre in potatoes and up to last week had sold \$60.00 worth, besides keeping a supply for family consumption. Potatoes at \$60 per half acre has somewhat the edge on boll weevil cotton at fifty acres to one acre. The potatoes are of the white yam variety and are an excellent table potato. Many thanks for the kindly remembrance.

### Red Cross Notice.

The Government has set apart November 2nd to 11th, as a time for a campaign for renewing the membership in the American Red Cross. This is the Third Red Cross Roll Call and it is intended to enroll as many members for 1920 as for 1919. Although the world war came to an end a year ago, the Red Cross has continued its work of beneficence and charity both at home and abroad. It is absolutely necessary for some sorely tried parts of the world that the help given by the Red Cross should be continued for some months to come. The President of the United States, by a recent proclamation, urges the people to enroll themselves in the coming Roll Call.

As to the worth of the Organization, we request every body to ask any of the returned soldiers and sailors about its value and efficiency. November 2nd has been designated as Red Cross Sunday and the clergy of all the churches are requested to make special mention of the coming Campaign.

The quota for Medina County for this call is 2000 members or a little higher number than last year.

E. H. NEY.

Director, Third Red Cross Roll Call.

### District Court.

The third and last week of the district court convened at the court house Monday morning. Below is given the list of business transacted since our last report.

The following oil and gas leases were cancelled: J. C. Newton vs. Calvin O. Smith; J. P. Nixon vs. Calvin O. Smith; S. G. Wilson vs. Calvin O. Smith; and T. E. Garrett vs. Stockmen's Oil and Gas Association.

Ex-Parte Kathleen Lynch, application for removal of disabilities as a minor; application granted and disabilities removed and she given charge of her personal estate.

In the case of Walter Koehler vs. W. L. Dubose et al, in which an instructed verdict was rendered in favor of defendants during the first days of the court, came up for hearing on application for new trial. After hearing the application the court granted a new hearing and continued the case until the April, 1920, term of the court.

In the case of the State vs. Jesse Chambers, who was convicted on a charge of assault to murder and given a term of four years in the state penitentiary, the motion for a new hearing was overruled by the court, and notice of appeal to the Court of Criminal Appeals was given.

The court adjourned for the term Tuesday. The expense of the term was \$943.00.

### Marriage Licenses

(Issued during week.)

Joe Frank Schott and Miss Lucile May Tschirhart.

Martin Schneider and Miss Mary A. Weiss.

**Your Cotton For 45 Cents. You Will Get It.**

Farmers Institutes:

I again appeal to urge your people to stand by the Department of Agriculture and State Farmers' Institute who are going to get a profitable price for your produce. Listen! Listen to me! Do you ever know Fred W. Davis, the present Commissioner to advise wrong? Did you ever hear of any plans failing to benefit the farmers carried out by them? Do you know that he is making a close survey of the cotton market for the benefit of the farmers than any other in the world, and what the world may pay for it; and how cheap cotton may be compared with other things? Read The Proof.

C. Lankford, Congressman from Texas, on Sept. 6th said in Congress that cotton at 30 cents per pound was a pound of cotton at \$3.00 to \$4.00 a pound. According to present prices, farmers ought to get 75 cents per pound for cotton." Cong. Record, Sept. 6, Page 5266.

English spinners at the New Orleans conference admitted that on last year's cotton crop they made clear 50 cents a pound or \$225.00 a bale. Mr. Smith, a great English spinner says England can take all the American cotton and pay cash for it." What is necessary to convince you that you ought to hold for 45 cents? Read

In 1917 Mr. Davis asked you to hold for 30 cents, and told you that it was worth it, and that you would get it if you would hold, although the speculators had fixed the price at from 9 to 15 cents. Later, cotton passed the 30 cent mark. In 1918 he told you to hold for 25 cents, that condition more than justified the price. He was hooted at by a certain gang, but cotton soon passed the 35 cent mark, when the Industries Board (under Baruch Chairman) knocked the price down to \$9.00 to \$63.50 per bale, and tied it down with an embargo. This was the crop that the spinners made a tremendous profit on. All now admit the truth of the Commissioner's speeches. Remember back over these two years and see who was helping you to get these honest prices, although back and see who it was that was advising you to sell.

Now, your Commissioner says that you ought to get 45 cents a pound, and others are saying 20 to 25 cents a pound is enough. Please take notice at the very same gang that did not help you now, and that the very same gang that was advising you to sell in 1917-18 is advising you to sell now. Who are your friends? Every sensible, well informed person predicts that cotton will go to 50 cents before January 1st and none predict lower prices. The world is short 5,000,000 bales or more, and must have your cotton. Hold at all hazards. Put it in warehouse and call for a negotiable receipt if necessary, and save your white and unstained cotton as it will bring a premium in a short time. Tell your fellow-man to hold for 45 cents or more.

Advise us at once of any schemes, the reasons given why you should sell now. We want to follow it up and expose it if false, approve it, if true. Select some good interested farmer who will distribute our literature. Give us the names of those wanting to sell, to get together with their occupation or profession. By all means, aware of grouping your cotton together and selling at the so called "market price." This so called "market price" is nothing but the gamblers' price, and the gamblers and speculators are trying to get all they can before the world scramble for cotton bales. Do not sell, but hold for 45 cents or more. If every farmer would hold his cotton, in 10 days it would pass the 40 cent mark, in 20 days it would sell for 45 cents.

If necessary arrange big meetings of farmers, let us know and we will try and get a representative there, Yours for profitable prices for farmers,

J. W. Neill,  
Director of Institutes.

**Metzger-Knopp.**  
The very popular daughter of Mr. and Mrs. Charles Metzger, Dorothy Ellen, was married Monday morning, Oct. 27th, to Dr. Thomas B. Knopp.  
The wedding was at the home of the bride's parents and owing to the recent death of Grandfather Metzger, was witnessed by only the family and a few relatives. The ceremony was said by Pastor Arthur S. Allen of the Baptist Church. The happy young couple left on an early morning train.  
Mrs. Knopp was born and reared here and is one of Hondo's most charming young women. She was educated in our High School and in the San Marcos Baptist Academy.  
Dr. Knopp is a Texan but had his Dental Course in the North Western University of Chicago. He was associated with Dr. Schlottman here the past summer and is now located in San Antonio.  
The Anvil Herald and its family of readers wish for these two every happiness and every success.

**Richter-Fillemann.**  
On Monday evening, at 5:30 o'clock, at the home of Mr. and Mrs. Chas. Fillemann, Miss Marie, the winsome daughter of the house, became the bride of Mr. Felix F. Richter.  
Only the immediate family of the contracting parties and members of the "Triple F" Club witnessed the ceremony as Rev. Father Pallanche, in a very impressive manner, pronounced the words which bound this happy young couple together as man and wife "until death do them part."  
Miss Marie is the eldest daughter of Mr. and Mrs. Chas. Fillemann and grew to lovely young womanhood in our town where she is loved by all who know her for her many womanly qualities.  
Mr. Richter is the youngest son of Mrs. Ernestina Richter and is one of Hondo's own boys, having served his town in the recent world conflict as a member of the 36th Division. He now holds a lucrative position with the Hondo Mercantile Co. and is to be congratulated upon winning the heart and hand of so lovable a bride.  
Mr. and Mrs. Richter left on the 6:43 for Houston, Galveston and other points east, amid a shower of rice and the good wishes of a host of friends for a long life of married happiness.

**Richter-Sauter.**  
Mr. Louis Richter and Miss Ida Sauter were happily married at Holy Cross Church on Wednesday morning at 8:30 o'clock, Very Rev. F. Maas performing the ceremony. The attendants were Miss Della Sauter of San Antonio and Mr. Clemens Finger. The bride was given away by her brother, Mr. Jos. Sauter. She was attired in a modish costume of brown with accessories to match, and carried a shower bouquet of pink Killarney roses. The choir had prepared a special mass for the occasion to surprise the bride, who is one of its charter members. The church was beautifully decorated in cut flowers and potted plants.  
An all day reception was held at the home of the bride's mother, Mrs. G. Sauter. A grand array of beautiful wedding presents testified to the popularity of the newly weds.  
Mr. and Mrs. Richter will make their home on the ranch of Mrs. Emma Rothe, where they are followed by the hearty good wishes of a host of friends.—THE D'HANIS STAR.

**Bride Entertained.**  
Miss Ida Sauter, a bride of the week was entertained with a "Miscellaneous shower," with Mrs. Robert Zerr and Miss Dora Koch as hostesses, the affair occurring at the lovely new home of the former at Hondo on Oct. 24. The younger guests spent the afternoon in playing various highly exciting and amusing games, while the matrons enjoyed several hours of pleasant conversation.

During the course of the afternoon the bride was led into the tastefully decorated dining room from the ceiling of which was suspended a large parasol. Upon examination it was found that the parasol had not shed the "shower" but collected a lovely array of handsome gifts.  
Delightful refreshments consisting of cake and pineapple sherbet were served to the following guests:  
Misses Ida Sauter, Alma Rothe, Tina Rothe, Mattie Koch, Dora Zinsmeyer, Cora Finger, Gertrude Albrecht, Marie Carle, Lucy Rothe, Della Koch, Louisa Vogel, Minnie Wernette and Dora Koch. Mesdames Oscar Rothe, Ben Koch, John Nester, Chas. Finger, J. M. Finger, W. O. Rothe, Richard Reily, Joe Ney, M. P. Twomey, Jacob Vogel, Emma Rothe, H. C. Rothe, Miss Regina Sauter, and Mrs. Robert Zerr.—D'HANIS STAR.

SAYS DOCTOR ADVISED IT.

Memphis Woman Is Relieved of Twelve Years Trouble by Taking Tanlac.

"I have received more benefit from Tanlac than from any other medicine I have ever taken," said Mrs. C. R. Wreford, wife of the well-known ex-steamboat captain, and who lives at 881 N. Seventh street, Memphis, Tenn. "For ten or twelve years," she continued, "I suffered from an awful case of indigestion. I had been troubled with a weak stomach from the time I was a girl and often suffered agonies from gas on my stomach, and twice I had terrible attacks of acute indigestion that nearly killed me. For weeks everything I would eat hurt me and even water would burn me like fire. Then I had an attack of the grip from which I recovered so slowly that I asked my doctor about trying Tanlac. He said, 'Yes, try it; for it can't do you any harm.'"

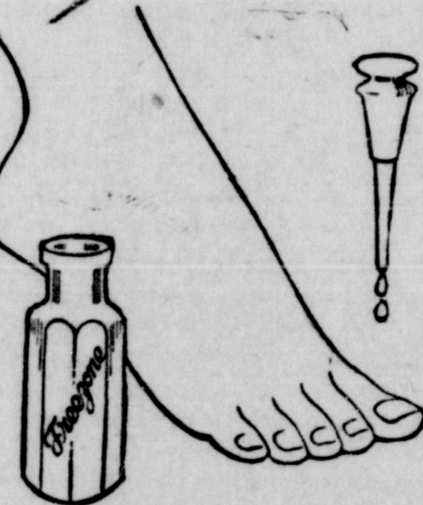

"I had no appetite at all and was eating scarcely anything, but after taking two bottles of Tanlac my appetite picked up and I continued to improve right along, eating most anything I wanted without any inconvenience afterwards. I have never had the trouble with my stomach like I did before taking Tanlac, and it certainly had helped me wonderfully and I can't help believing it is a great medicine." All druggists sell Tanlac.

### Closed Chapter of History.

The French newspaper L'Eclair, which, in one of its recent issues, published a note on the seal used by Jules Favre at Versailles in 1871, has received a letter bearing the signature "Louis, prince de Bourbon." The writer protests against the expression, used by L'Eclair, "faux Louis XVII," as applied to his father, Naundorff; and the writer incloses a certificate in which Naundorff is described as duke of Normandy, Louis XVII. It has not sufficed of over 100 years completely to silence that particular chapter of French history. As L'Eclair remarks, "Ever since the 8th of June, 1795, the case was settled for us."

### Keeping Even Temper.

Weariness, tired nerves, poor digestion, sudden demands, an overdose of perspiration and a dozen other things will unbalance the temper. You can't always regulate yourself, but you can do a great deal toward keeping the body in trim. You can see to it that the poor old back does not get a load too heavy to be borne. You can also try to guard against surprises that unbalance the mental mechanism and send the mercury skipping skyward. It's the best way to keep an even temper.

### No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

## RED CROSS DRIVE TO OPEN NOV. 2

OFFICIALS LOOK FORWARD TO PLACING DIVISION FIRST "OVER THE TOP."

WOMEN WORKERS ENROLL

Campaign Managers Say That Present Drive Is One for Membership, Not Funds.

\*\*\*\*\*  
RED CROSS ROLL CALL FACTS  
\*\*\*\*\*  
Begins, Sunday, November 2;  
closes, Armistice Day, Tuesday,  
November 11.  
Objective: 20,000,000 members  
ships in the United States;  
2,000,000 memberships in the  
Southwestern Division—the states  
of Missouri, Kansas, Texas, Okla-  
homa and Arkansas. Cost of  
membership, one dollar.  
Purpose: To maintain Red  
Cross at present high state of  
organization and efficiency as  
permanent national relief agency.  
One million volunteer workers  
to assist in campaign activities,  
to be enrolled previous to opening  
of drive.  
Soldiers, sailors and marines to  
aid by speaking and writing of  
the work of the Red Cross in the  
camps and overseas. Fighting  
men, in some cases, directing  
campaign.  
"Four-minute" men, returned  
service men, lawyers, newspaper  
men and others qualified, will  
speak during drive, in theatres,  
clubs, moving picture shows,  
hotels, factories, mills and stores.  
National advertising campaign  
being waged as preliminary to  
intensive drive. Newspapers,  
posters, window displays, flags,  
cutouts, moving picture films,  
dodgers, advertising slides, all  
carrying Red Cross messages.  
\*\*\*\*\*

When the Third Red Cross Roll Call of members is completed on Armistice Day, November 11, it is expected that 2,000,000 persons in Missouri, Kansas, Texas, Arkansas and Oklahoma—the states comprising the Southwestern Division of the Red Cross—will have answered "here" and have been enrolled as annual members of the organization.

Inasmuch as this is a decrease of 385,619 members under the record of last year, when 2,385,619 members were obtained during the Christmas Roll Call from a population of approximately 13,928,000, Red Cross officials look forward to putting the Division first "over the top" with comparatively little difficulty. The nation-wide campaign this year is expected to yield more than 20,000,000 members. As in all previous campaigns, the fee for yearly membership is \$1.

### Red Cross Sunday.

The campaign will open formally Sunday, November 2, which has been designated "Red Cross Sunday." On that day the story of the Red Cross will be told from pulpits all over the nation. Special programs will mark morning and evening services.

Vigorous preparations are being made, as evidenced by the rapid enrollment of thousands of women workers who will serve as volunteer canvassers during the campaign. More than 1,000,000 such workers are to be obtained throughout the country, whose aid will determine to an appreciable extent the successful termination of the coming campaign.

Reports reaching the Division office in St. Louis tell also of the co-operation being extended by hundreds of soldiers, sailors and marines, who are able, many of them, to tell "first person" stories of what the Red Cross did for them while the fighting was going on. These chaps are being enrolled as speakers, writers and active workers. In addition, "four-minute" men, lawyers, newspaper men and others qualified are scheduled to address audiences during the campaign on the subject of the Red Cross appeal.

### Advertising Campaign.

Enthusiasm in the campaign is being stimulated by the appearance of thousands of posters, window displays, Red Cross flags and other adjuncts of the country-wide advertising campaign now being carried on. Newspapers are carrying page, half-page and smaller advertisements bearing the Red Cross message, while periodicals, magazines and billboards, as well as street cars, trains, mercantile establishments and department store windows, all carry their quota of Red Cross advertising. Moving picture shows are exhibiting Red Cross films in a gigantic motion picture campaign that has for its object the education of the American people to the present-day needs of the American Red Cross.

Red Cross campaign officials have announced that the present drive is one for membership, not funds. In view of the large amount of work still to be completed abroad and the renewed activity incident to the inception in America of the Red Cross peace program along the lines of First Aid, Junior Membership, Nursing and Home Service, those in touch with the drive situation say the prospects are favorable for increasing Red Cross membership to a figure well over that obtained last year.

## IS IT "JUST A COLD"?

Hondo People Should Ask Themselves This Question.

Don't say: "It's just a cold."  
It may turn into backache, rheumatic aches, achy joints,  
Or other serious sickness that comes from weak kidneys.  
Colds are due to congestion.  
Congestion makes the kidneys over-work to filter the blood.  
Colds often leave the kidneys weak.  
First break the cold.  
Then use Doan's Kidney Pills to avert the kidney dangers.  
Let this Hondo resident tell you about them.

Mrs. Heyo Schweers gave the following statement May 28, 1915: "I had an attack of kidney trouble some years ago. My kidneys acted irregularly and caused me annoyance, and there were other ailments arising from disordered kidneys. I believe the trouble was brought on from a cold which settled in my kidneys. I purchased Doan's Kidney Pills at Windrow's Drug Store and just a short use corrected the trouble which has never returned."

On May 3, 1919, Mrs. Schweers said: "I have had no occasion to use Doan's Kidney Pills since they cured me four years ago. My back is now strong and my kidneys act as regular as ever."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Schweers had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

### Antarctic "Shelf Ice."

From the work of recent explorations, Sir Douglas Mawson concludes that the rock foundation on which the Antarctic ice cap rests is very irregular, partly above sea level and partly below, and that its thickness, which is very variable, may reach a maximum of several thousand feet. Under the thickest portions the static pressure at the base may be as great as one ton per square inch. Under such a covering there may be a considerable accumulation of ground heat, and it is assumed that the under portion of the ice mass is undoubtedly soft and plastic. Where the sea breaks up the ice at a rate faster than the flow, the sea front is substantially the coast line. But elsewhere, as in the Great Ross barrier and the Shackleton shelf, the supply of ice exceeds the rate of erosion at the sea front, and the overflow from the land maintains a thick sheet of "shelf ice" extending far out to sea. The sea front of the ice cap, at the present rate of advance or flowing out, is estimated to have left the center in the seventh century of our era.

Give the world  
the once over

LISTEN, fellows, to some straight talk. Many a man when he gets to be 40, misses something. He may have lots of money, and a fine family but—

He never "got out and saw things". After he gets settled down, it's too late.

Every man wants to see the world. No man likes to stand still all his life. The best time to TRAVEL is when you're young and lively—right NOW!

Right NOW your Uncle Sam is calling, "Shove off!" He wants men for his Navy. He's inviting you! It's the biggest chance you'll ever get to give the world the once over!

The Navy goes all over the world—sails the Seven Seas—squints at the six continents—that's its business. You stand to see more odd sights, wonderful scenery and strange people than you ever dreamed of.

You'll work hard while you work. You'll play hard while you play. You'll earn and learn. You'll get, in addition to "shore leave"—a 30-day straight vacation—which is more than the average bank president can count on.

You can join for two years. When you get through you'll be physically and mentally "tuned up" for the rest of your life. You'll be ready through and through for SUCCESS.

There's a Recruiting Station right near you. If you don't know where it is, your Postmaster will be glad to tell you.

CASTROVILLE, OCTOBER 30, 1919

ED. HUEHNER, LOCAL REPRESENTATIVE

News or business matter for this page for the week's issue should be submitted to Mr. Huehner or mailed direct to us at Hondo not later than Wednesday of each week.

### Died.

Mr. Gotlob Weiblen of the Second Creek neighborhood died at hospital at San Antonio (after undergoing an operation on Wednesday, October 22nd), on Monday morning, October 26th. The corpse was brought to Castroville and laid to rest at the Lutheran Cemetery Monday afternoon. Rev. Walter Kralik performed the last sad rites. Deceased was born at Neuhausen, Württemberg, Germany, Dec. 1858, and came to this country with his mother, one brother and one sister, in 1884. On Jan. 25, 1889 he was happily married to Miss Anna Balzen. This union was blessed with four children, one son and three daughters, namely Fritz Weiblen, Mesdames Robert Kralik, Geo. R. Balzen and Miss Ida Weiblen. Besides those mentioned, deceased is survived by two sisters and one brother, (one sister Germany, Jacob Weiblen and Phil. Wengenroth of Riohonda, and six grand-children. A good man has gone to his reward. Deceased was a dutiful husband, a loving father, a kind and accommodating neighbor, and a law-abiding citizen. A large concourse of mourning relatives and friends followed the remains to their last resting place. We join in sympathy with the bereaved and grief stricken widow and fatherless children. L. P.

The banns of Mr. Joe Schott and Miss Lucile Tschirhart were announced in St. Louis Church Sunday, the wedding to take place on November 11th.

### A Good Cough Medicine for Children.

Mrs. J. W. Phillip, Rebon, Ga., phoned to J. M. Floyd, the merchant there, for a bottle of Chamberlain's Cough Remedy and said she had bought a bottle of it at his store recently and that it was doing her children so much good that she wanted to keep up the treatment. You will find nothing better for coughs and colds in children or for yourself. It keeps the cough loose, expectoration easy and soon frees the system from the cold.

### Devine News Items.

Henry Brown believes that Uncle Sam is going to be good to him. He was discharged with a disability certificate as to health, and now will be sent to A. & M. for a year, with \$80 a month for expenses allowed above free tuition and books. He will study agriculture with a view of becoming a teacher, or demonstration agent, or director of large farming interests.

The road to our county-seat was about eighty miles long, since the bridges are gone and the mud is deep; but about one-half Devine male citizens went over the past week.

Mrs. Sally Redus and Mrs. P. F. Roberson visited in Hondo this week.

### This Means You.

When you get up with a bad taste in your mouth, dull tired feeling, no relish for food and are constipated, you may know that you need a dose of Chamberlain's Tablets. They not only cause an agreeable movement of the bowels, but cleanse and invigorate the stomach and improve the digestion.

The coming marriage of Mr. Raymond Fletcher to Miss Louisa Haby will be announced at the Catholic Church next Sunday. These young people, who live in the Medina Lake community, were in town yesterday. —Bandera New Era.

### Koch-Rihn.

Mr. Arthur J. Koch of Hondo and Miss Gertrude Rihn of this place were happily united in the holy bonds of matrimony at St. Louis Catholic Church Wednesday morning, Oct. 22, 1919, Rev. Father Heckman performing the ceremony. John B. Rihn was best man and Miss Rosalie Koch, maid of honor, and Lloyd Rihn, ring bearer.

The attendants were Mr. Raymond Koch and Miss Hulda Haby, Mr. Herman Garteiser and Miss Cecelie Steinhle. After the ceremony the bridal party repaired to the home of the brides parents, Mr. and Mrs. Wm. Rihn, where a sumptuous wedding dinner and supper was served. The tables were not only beautifully decorated but also loaded down with the very best eatables which the market could afford, to which ample justice was done. The young couple was the recipient of many beautiful presents. The couple left the same evening for San Antonio. We join their many friends in wishing them "Bon voyage". X.

### Only A Cold.

Are you ill? It is often answered—"Oh! it's only a cold," as if a cold was a matter of little consequence, but people are beginning to learn that a common cold is a matter not to be trifled with, that some of the most serious diseases start with a cold. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. Remember that the sooner you get rid of your cold the less the danger, and this remedy will help you to throw it off.

Joe Short and a crew of young cowboys left Monday for the Short ranch on the Divide to bring down a big bunch of cattle.—Bandera New Era.

## Life Was a Misery

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood . . . I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . Nothing seemed to help me until, one day, . . . I decided to

### TAKE

## CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain."

"It has now been two years since I took Cardui, and I am still in good health. . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.

### Constipation.

Most laxatives and cathartics afford only temporary relief and should be used only for that purpose. When you want permanent relief take Chamberlain's Tablets and be careful to observe the directions with each package. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

TEXAS NATURE OBSERVATIONS, by Dr. Menger, 111 North Cherry Street, San Antonio, Texas. Contains 323 illustrated pages, covering years of personal observations of our Texas fauna, insects, plant life, game, etc. The American Review of Reviews judges the book thus: "A rare and more delightful book of nature knowledge in the study of the out of door world can hardly be imagined." Price \$2.50 to any address in Texas. 13tf

### What Would You Do?

In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one, will cause the parts to heal without leaving a scar.

### Sabinal Sentinel Siftings.

Mrs. H. W. Reilly and Paris and Helen went to San Antonio this morning to consult a specialist.

Mr. and Mrs. Jacob Reinhart returned home from San Antonio last Friday.

Mr. Pennington, who has been working at the Farmers Union Gin, got his arm caught in the machinery Wednesday afternoon and injured it so badly that it had to be cut off. They took him to the hospital in San Antonio on the early morning train yesterday.

### Sick Headaches.

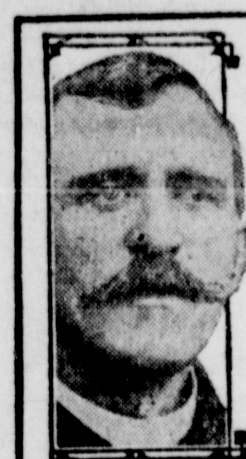

This distressing disease results from a disordered condition of the stomach and can be relieved by taking Chamberlain's Tablets.

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it is swollen, and the sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; hence, cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Mr. M. VanBuren, Engineer, G. R. & L. Ry., 17 Highland St., Grand Rapids, Mich.

## NOTICE OF ELECTION.

THE STATE OF TEXAS,  
COUNTY OF MEDINA.

On this, the 13th day of October, 1919, the Commissioner's Court of Medina County, Texas, being in regular session, came on to be considered the petition of E. R. Leinweber and 327 other persons, praying that bonds be issued by said Medina County, Texas, in the sum of Eight Hundred Thousand (\$800,000.00) Dollars, bearing interest at a rate to be fixed by the commissioners' court, not to exceed five and one-half per cent, maturing at such times as may be fixed by the commissioners' court, serially or otherwise, not to exceed thirty years from date thereof, for the purpose of constructing, maintaining and operating macadamized, graveled or paved roads and turnpikes, or in aid thereof.

And it appearing to the court that said petition is signed by more than fifty of the resident property-taxpaying voters of said Medina County, and that the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Medina County.

It is therefore considered and ordered by the court that an election be held in said county, on the 6th day of December, A. D. 1919, which is not less than thirty days from the date of this order, to determine whether or not the bonds of said county shall be issued in the amount of Eight Hundred Thousand (\$800,000.00) Dollars, bearing interest at a rate to be fixed by the commissioners' court, not to exceed five and one-half per cent, maturing at such times as may be fixed by the commissioners' court, serially or otherwise, not to exceed thirty years from date thereof; and whether or not a tax shall be levied upon the property of said county subject to taxation for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity.

Notice of said election shall be given by publication in a newspaper published in said county for four successive weeks before the date of said election, and in addition thereto there shall be posted notices of such election at three public places in said county, one of which shall be at the court-house door, for three weeks prior to said election.

Said election shall be held at the regular polling places, and the persons named shall be the managers of said election at the respective polling places, to-wit:

Prec. No. 1, North Hondo, at Court House, C. B. Leinweber, presiding judge.

Prec. No. 2, Quihi, at School House, E. H. Hartmann, presiding judge.

Prec. No. 3, Dunlay, at Herman Sons' Hall, Wm. Reitzer, presiding judge.

County Judge, Medina County, Tex.

## Uncle Sam Educates Medina County Soldiers.

Grateful to the Texas boys who made such a record in their battles against the Huns, the government has selected all those who received disabilities, constituting a permanent handicap, and will send them to colleges, schools and mechanical institutes.

From the office of the Federal Board for Vocational Education at Dallas, the following list of Medina County boys has been given out as approved for training. All veterans who were disabled through their military service, who have not yet applied to the Board, should not lose any time getting in touch with the nearest Vocational Officer.

The boys approved for training are John E. Whitfield, Devine (Alamo City Commercial College, San Antonio, Texas), and Frank J. Zinsmeyer, Lacoste, Texas.

## Rural Life Tendencies.

By Fletcher Davis.

(In The Southland Farmer, Oct 1, 1919)

(Continued)

Among those offering the greatest degree of helpfulness are better facilities for purchasing land and encouragement to the landless to try to become landowners.

This involves many details of credit, interest rates, fixing of land values, etc.

Before the landless man can be encouraged to strive to become a landowner, he must be made to feel that it is within his financial reach to do so and to his economic advantage if he does.

A prosperous tenant will not be encouraged to change places with the hard-pressed land-holder who is struggling to meet usurious interest rates on notes given on land at speculative prices all out of proportion to its economic value.

To these advantages add such remunerative prices for farm products as will make the farmers' labor income equal to the labor income of similar labor in the industries—regarding the farmer as a skilled laborer in his pursuit—and the farming class will reverse the tendencies of the present time.

Instead of the tendency being for all who can to drift away from the farm and those who can not drift away to drift into a landless, tenant class, the tendency will be to people the country with a larger number of independent, contented and prosperous small home-owners.

Then the problem of "how to make the country a place in which to live as well as make a living," will have solved itself.

THE UNIVERSAL CAR

Most of the Gas Companies throughout the country use a fleet of Ford Runabouts. The same is true of other big corporations. The reasons are very practical. The Ford Runabout is the most economical solution of quick transportation from manufacturer to retailer. For soliciting business, for the Collector, for the Doctor, Contractor, Builder, and almost every other line of business activity, the Ford Runabout is really a necessity. We solicit your order for one or more. We ask your repair business. We would like your motor accessory business. We can serve you, we believe, to your best advantage.

The open season for deer starts to-day and ends January 1, 1920. This applies to all game save quail and turkey. We confess a great fondness for venison but we would starve before we would hint for anyone to bring us a nice piece of steak.

## There Is a Delco-Light Man Near You

No matter where you live, there is a Delco-Light man within easy reach of you.

This means much more to you than mere convenience in the purchase of a Delco-Light plant.

These men are trained men—they KNOW electricity as applied to farm use. They can advise you as to the size of plant you should have.

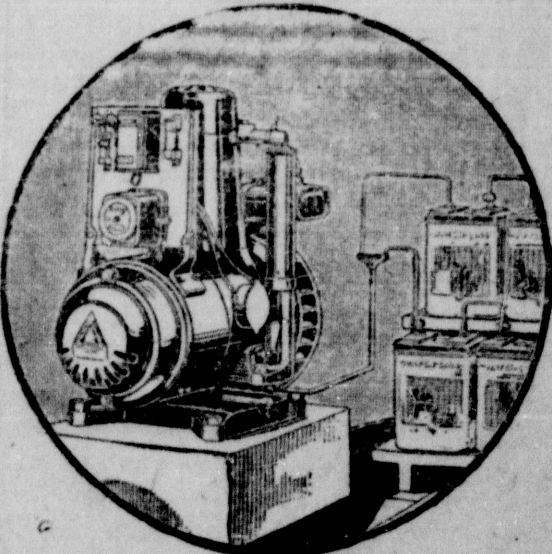

They can see that your house and barn are properly wired—

They can superintend the installation of the plant so that it will give you the most efficient and economical service.

They can give you intelligent advice as to the purchase and use of water system, washing machine, churn, separator, milking machine and other appliances that you can operate with the electricity furnished by Delco-Light.

And—after the plant is installed they are always near-by to advise with you and see that you get one hundred per cent satisfaction out of its operation—

Delco-Light is a complete electric light and power plant for farms and country homes, self-cranking — air-cooled — ball bearings — no belts — only one place to oil — Thick Plates, long-lived Storage Battery — RUNS ON KEROSENE.
